## Handling Conflicts-of-Interest and Publication Issues

By Lex Bouter

*Professor of Methodology and Integrity  
Department of Epidemiology and Biostatistics  
Department of Philosophy  
Amsterdam UMC/Vrije Universiteit*

Date: Tuesday November 12<sup>th</sup> 2019  
Time: 15.00-17.00 pm  
Location: Alma hall OZW Building (VU campus)

---

### Focus:

This tutorial will explore the handling of financial and non-financial conflicts of interest and a number of recent innovations in scientific publication like preregistration, registered report, preprints, post-publication peer review and retractions. Furthermore, results will be shared from a recent systematic review and cross-sectional analysis of Instructions-to-Authors (ItAs) and the practical guidance by the Committee of Publication Ethics (COPE) will be discussed.
